Nor will he have long to wait for th test of quality

Sun Yat Sen, the irrepressible stitutional leader, president of the South China republic, has declared war on Tsao. This of itself would mean little in or out of China, because being at war with the Peking government has been Sun's chosen position for a good while. But the character of his announcement, made public at Shanghai, indicates an acces sion of strength by the South China party warranting confidence that this time they will make real progress against those at the national capital. A huge program is Sun's. He has issued an order "for the organiza tion of a punitive expedition against Tsao Kun and for the arrest and pun ishment of all members of the parlla ment who participated in the election." Important and strong military leaders have been invited to join in his emprise and it is known that some of them will take up arms against Peking.

The western world quite generally will wish Sun Yat Sen success. Friends of China would prefer that ·he establishment of a stable and re-...ectable government be accomplished without bloodshed and with as little of disturbance of peace as possible. Cince the armistics China has been given every reasonable opporsunity to corn its house and organize its government on a plane to merit the confidence and assistance of the outside world. Yet so cordid so ment

Mrs. Robinson Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

it would almost kill me and I would have cramps. I suffered in this way about three years; then a lady friend suggested that I try Lydia E. Pinkham's Vegeta-ble Compound. I have had better health since, keep house and am able to do my

work. I recommend the Vegetable Compound to my friends as it has certainly given me great relief."—Mrs.C. B. Rog-Tomlinson's Grocery INSON, 608 N. Lincoln St., Amarillo, Tex. The Vegetable Compound is a splendid medicine for women. It relieves the troubles which cause such symptoms as backache, painful times, irregularity, tired and worn-out feelings and nervous-ness. This is shown again and again by such letters as Mrs. Robinson writes

as well as by one woman telling another. These women know what it did for examination of the urine, chemically them. It is surely worth your trial. Housewives make a great mistake in allowing themselves to become so ill that it is well-nigh impossible for them to attend to their necessary household

READ TITE TARRIED COLUMN

Royal Theatre - Tuesday and Wednesday Mrs. Wallace Reid

-in her smashing indictment of the narcotic evil

A cross-section of throbbing human experience! Here is a drama built out of the very fabric of life. Stript of reserve—born of the ageny of a woman's soul, and dedicated to the cause of saving other lives from the unspeakable curse of narcot

MRS. REID'S FIGHT For two years, Mrs. Wallace Reid vaged her own battle against this insidious monster whose tentacles reach out into every quarter of our nation, sucking the life-blood of talent and youth. Mrs. Reid lost her fight. Because she lost, she now submerges herself and her grief in the production of a photo-

DEAR LADIES:--

Have you ever realized how much easier your housework would be if you had more linoleum floors?

Just think how easy it would be to go over your floors with a damp mop to gather up dust and dirt instead of spending hours trying to get the dust out of woven rugs.

This is Linoleum Week and we would like to have you come in and inspect the new patterns.

One Way to Reduce Light Bills

While the increase that your electric bill may show this month is due principally to the lengthened period of darkness at this season, much light that could be saved is wasted unin-

Dust and dirt on lamps, shades and reflectors, absorb 40% of the light you

Housewives! Now at Fall cleaning timeclean and polish with a dry cloth every electric lamp ("bulb") in the house. Wash glass shades with soap and water. Clean silk shades with the suction attachment on your vacuum cleaner, then brighten the colors with gasoline. Replace all burned out lamps with new lamps and put your lighting equipment in good condition all around.

Do this-and you'll stop waste of light through dust and dirt, and be able to save on the amount of electricity consumed.
